8. Do not press anything, wait for the below 5 lines to appear on the right and wait for the app to launch itself. This may take a minute or two.

9. Tap the “Password” section and copy paste “vgeco”.

Press “log in” to access the rest of the app. You may also type “vgeco” but note, the app wont show one is typing as a security measure.

At this time you would have successfully launched the the “EcoWarriors” app on the browser stack iPhone 11 Pro stimulator. You can now interact with the app like you would on a normal iPhone. Note: Incase of any errors in launching the app please close the chrome browser and follow the above steps again.
